This is not intended to be an offer to sell, or solicitation to buy, condominium units to residents of any jurisdiction where prohibited by law, and your eligibility for purchase will depend upon your state of residency. The offering is made only by the prospectus for the condominium and no statement should be relied upon if not made in the prospectus. Stated interior square footage is measured to the exterior face of exterior walls and to the centerline of interior dividing walls or to the exterior face of walls adjoining corridors or other common elements or shared facilities without reducing areas that may be occupied by columns or other structural components. This method of measurement varies from and is larger than the dimensions that would be determined by using the description and the definition of the Unit set forth in the Declaration (which generally only includes the interior airspace between the perimeter walls and excludes structural components). For reference, the area of the unit, determined in accordance with the unit boundaries set forth in the Declaration is set forth in Exhibit "D" to the Declaration. All dimensions are approximate and may vary with actual construction. **ORAL REPRESENTATIONS CANNOT BE RELIED UPON AS CORRECTLY STATING THE REPRESENTATIONS OF THE DEVELOPER. FOR CORRECT REPRESENTATIONS, MAKE REFERENCE TO THE BROCHURE AND TO THE DOCUMENTS REQUIRED BY SECTION 718.503, FLORIDA STATUTES, TO BE FURNISHED BY A DEVELOPER TO A BUYER OR LESSEE.**
